

# 2018 - 19 CELINA ATHLETIC BOOSTER CLUB

## Mission Statement:

The Mission of the Celina Athletic Booster Club, a volunteer non-profit organization, is to partner with the Celina Athletic Department in creating a positive community involvement in support of the student/athletes within the Celina School District's many athletic teams. This involvement will seed the financial commitments required to produce the highest quality athletic programs possible. Through quality athletic programs, the Celina School District will continue to graduate students that possess not only high academic standards but also skills in leadership, teamwork, and other qualities gained through participation in sports.
